

Standalone HELOC

A Symmetry Lending Standalone HELOC is defined as any HELOC that is submitted to Symmetry Lending **MORE** than 120 days after the closing date of a 1st mortgage on the same subject property.

Symmetry Lending does not coordinate directly with the borrowers on Standalone submissions. Symmetry Lending will rely on you to work with your customer for the gathering of submission documents, approval conditions, and other items required through the loan qualification and funding process.

Post-Close Piggyback – a HELOC submitted to Symmetry Lending that will be subordinate to a 1st mortgage that was closed **LESS** than 120 days ago will be considered a Piggyback. For these loans, please refer to Symmetry Lending's "**How to Submit - Piggyback HELOCs**"

Property Valuation and Title

At the time that a Conditional Approval is issued, Symmetry Lending will coordinate the property valuation and title work as outlined below.

Symmetry Lending will order a Market Valuation to establish value. Symmetry Lending's vendor will contact your customer to schedule an appointment for access to the property.

Symmetry Lending will utilize your preferred title / escrow company. You will be responsible for coordinating the title-related services.

Funding Process

Symmetry will issue a wire to the title company who closed the loan. The title company will then be responsible for paying out all disbursements from the loan proceeds.
